

Founded in 1999 in memory of the late Dr Martin Lawrence, Lawrence Nurses provides excellent holistic care for palliative and end of life patients who wish to remain within their home environment. Based in Chipping Norton, the service is provided in the local area by a team of dedicated nurses who work in partnership with the patient, their family, carers and the Community Nursing Service.

**Due to the expansion of the service, we are looking to recruit a bank Healthcare Assistant to join our dynamic and dedicated team.**

The post holder will be required to:

- Provide appropriate clinical support to palliative and end of life care patients and their carers within their homes, as directed by the Nurse Coordinator on duty. To include:
  - Monitoring patients' condition and reporting changes to the Nurse Coordinator and Community Nursing Teams where appropriate
  - Assisting with Nutrition and Hydration
  - Supporting the emotional needs of the patient and their family/carer
- To be able to communicate in a sensitive manner along with an ability to work effectively within a multidisciplinary team.

**Salary £13 p/h (£25,400 FTE)**

**Hours available:**

This is a bank post and hours of work will vary according to patient requirements. Shifts will be days, evenings or nights.

**Working with Lawrence Nurses as a valued member of staff you will receive:**

- Workplace pension
- Uniform provided
- Paid annual leave
- Support with continuous professional development
- Excellent rate of pay

**Additional information:**

- Applicants must have experience in healthcare
- Have completed the Care Certificate
- Applicants must hold a current UK driving license and have access to a vehicle
- Applicants must live within one hour of Chipping Norton
- An enhanced disclosure and barring service check is required for this role.

**The closing date for applications: 5th April 2026**

**Interviews will be held on: 22nd April 2026**
